### Policy

#### Commercial Members: Managed Care (HMO and POS), PPO, and Indemnity

Coverage Guidelines: Ambulance services are covered as outlined by each Blue Cross member's benefit design or subscriber certificate.

Non-emergent ambulance transport is considered **MEDICALLY NECESSARY** when all the following criteria are met:

- The member is bed-confined. Bed-confined is defined as:
  - Unable to get out of bed without assistance; **and**
  - Unable to ambulate; **and**
  - Unable to sit in a chair or wheelchair
- Transportation using a mode other than an ambulance will precipitate an adverse event or would be medically contraindicated
- Diagnosis and present clinical condition justify ambulance transport
- Transportation is to a covered destination.

Non-emergent ambulance transport is considered **NOT MEDICALLY NECESSARY** in **any** of these circumstances:

- For the member's convenience instead of medical necessity
- If the member can be moved by a wheelchair
- If the member is not bed-confined
- If the member can be moved or travel by a special van or other means
- For the convenience of the doctor or staff
- For the convenience of the member or their family
- From a residential facility to member's home
- From a member's home to a residential facility
- From one residential facility to another

- For travel to the individual's doctor's office.
