TRAVEL BENEFIT REIMBURSEMENT

We're committed to ensuring that our members have access to the care they need. This new benefit covers certain travel expenses for covered services that aren't available within 100 miles of your home.

Benefit Overview

Blue Cross Blue Shield of Massachusetts will reimburse you for certain expenses related to travel to obtain covered services.

- The benefit does not cover travel costs for routine, preventive, or elective care.
- You must need to travel at least 100 miles from home to obtain these services.
- The services you obtain must be from a covered provider in your service area. See your benefit details for service area information.
- You must maintain receipts for all travel, and we may ask for them at any time. The reimbursement form requires your signature, attesting that the travel receipts are accurate and were incurred in accordance with this travel benefit.
- We'll also reimburse the covered expenses, when necessary, for one companion traveling with you. They don't have to be a Blue Cross member.
